DO study specifically the information on pp.**336-337**.

- Study for a **Quiz next week on the information on p. 336!**
- **AFTER YOU STUDY p.337**, do the worksheet matching the people with what they are remembered for.

EACH WEEK: What's in the news? Look in the newspaper(s) for any articles on other countries, especially the countries we are studying this week. Find out where it is on a map or in an atlas. Clip and bring in an article, or summarize it with source information, for 2 points extra credit! You will keep a folder of all the articles you find throughout the year. Be sure to date each article.
