TEST TAKING QUARTER 2

NOVEMBER 10 & 12

Advisor: April Thome athome@homelinkyakima.org office phone 248-6388

Being a good test taker is strongly related to good organization, sharpened problem-solving skills and keen observation.

Have a strong vocabulary is exceedingly important for those taking tests in the upper grades. For assignments to be done during the week, expect many logic puzzles and Greek & Latin roots for memorization as we work to build effective test-taking skills.

ROOTS to memorize:

Animal	zoon
Water	aqua
Big/large	megas
Time	chronos
Wheel/circle	cycle

SOLVE THE LOGIC PUZZLE GIVEN IN CLASS. YOU MAY USE OTHERS TO HELP YOU, BUT BE SURE TO FILL OUT THE CHART AT THE BOTTOM OF THE PUZZLE.
