

## Middle School Study Skills Assignment Sheet

January 3, 2012

Assignments due Jan. 10

### HOMework:

- *Finish any of the questions not completed in class - pages 63, 64, 68, 69*
- *Paper Airplanes P. 70-73*
- *Draw a comic strip with 10 frames of an abstract process you are learning about in another class. Use pictures to help you understand the process. Examples might be: cell division, how to take a good photograph, factoring equations or writing a poem using the senses. Spend time imagining the process in your mind. Grading:*
  - *10 frames = 10 points*
  - *Well defined pictures = 10 points*

- *Process clearly portrayed = 10 points*
- *Neatly done = 5 points*
